Asian Sound Revolution: timeless sounds reimagined for the modern listener.

Blending ancient aesthetics with cutting-edge creativity, this trio of internationally acclaimed musicians, Jin Hi Kim, Min Xiao-Fen, and Susie Ibarra, utilize classic instruments, stylized vocal techniques, electronic effects, and improvisations to make a musical style all their own. With performances at Carnegie Hall, Lincoln Center, Kennedy Center, and the Smithsonian Freer Gallery of Art, they have engaged audiences with their unique spins on traditional sound, individually and collectively.

This event is co-sponsored by the Center for East Asian Studies at the University of Chicago with support from a Title VI National Resource Center Grant from the U.S. Department of Education.
